

## BATH HALF MARATHON – Sunday 11th March 2012

The attached map gives notice of proposed arrangements for next year's Bath Half Marathon. A summary of the proposed road closures and parking suspensions along the course route and diversions routes is attached. The half marathon starts at 11.00am, with road closures being in place on the course route from 09.45am to around 3.30pm.

Arrangements for the race, including traffic diversion routes, will be largely unchanged from 2011. Further details are available on the race website at [www.bathhalf.co.uk](http://www.bathhalf.co.uk).

This highly popular mass-participation athletic event, attracts over 15,000 entries and an estimated 30,000 spectators, is also one of the largest fundraisers in the West Country, last year raising over £1.5 million pounds for various charities and voluntary groups.

The organisers are anxious to minimise any inconvenience caused, but there will inevitably be a certain amount of disruption, for which we sincerely apologise. We thank you for your co-operation and would be grateful if you could publicise this information as widely as possible amongst your constituents and residents.

Contact Faye Batchelor if you require further information, if you have concerns about the impact caused to residents, or suggestions as to how the impact might possibly be reduced.
